117 Kriedeman Road UPPER COOMERA QLD

1 1 2

After the passing of a family member the children have decided to sell instead of building their dream home. Bring your architect, your plans and your vision. 12.3 acres of untouched virgin land along prestigious Kriedeman Road. Next to the newest Gold Coast car museum. Zoned rural residential with its own natural spring and without any easements.

The demand for land on the Gold Coast is high due to the government incentives for new homes and the increasing migration of people from other states and New Zealand. For those that don't know the area, Upper Coomera is the fastest growing corridor in Queensland. It is within 7 mins to shops, 15 mins to the m1, Movie world, Wet & Wild and 20 mins to the tourist mecca of Tamborine Mountain.
