From the moment you step through the door of this warm and welcoming family home, it's a wow. The view you are met with is simply breathtaking and the masterful design of its interior incorporates an innovative use of space with high ceilings, angled walls and generously sized living areas that maximise the stunning rural vista and give the home a simple grandness that is great for entertaining guests in any season.

Architect designed to be warm in winter and cool in summer this space does not disappoint in delivering the perfect temperature all year round. Whether it is enjoying the warm winter sun that pours into the living areas from early morning well into the afternoon, or enjoying the cool air that breezes through every level of the home during
