High above the energy of Broadbeach, Apartment 1605 at The Gallery Residences presents a rare fusion of architectural design, lifestyle luxury, and coastal elegance. Originally conceived as a two bedroom residence, the apartment was uniquely reimagined off plan into a generous one bedroom home - resulting in a larger master suite, full size ensuite, and living areas seldom seen in comparable properties.

The apartment is defined by high ceilings, refined finishes, and full height glazing that captures sweeping views of both the Pacific Ocean and the Gold Coast hinterland. A sleek kitchen fitted with Smeg appliances anchors the open plan
